ABOUT ME

I'm a UI/UX Designer with 3 years of experience, driven by a user centered mindset. With a high level of adaptability, focus and accountability, I focus on creating intuitive, well crafted designs that not only look refined but also solve real user problems.
My skills include UI design, UX research and a versatile set of supporting technical skills. I have experience working on E-commerce platforms in Fashion, Cosmetics and Pharmaceutical fields, as well as Recruitment platforms, Web3 Crypto Commerce apps and Telegram mini game apps.

EXPERIENCES

Jun 2024 - Present

UI/UX Designer, SalesCore Co, Ltd

Remote

- Worked on E-commerce (Cosmetics & Fashion) and Entertainment Recruitment Web/App platforms, focusing on designing scalable, manageable, and user friendly interfaces.
- Designed a high traffic Web3 platform integrating Fan Voting, E-commerce, and Blockchain technology including NFTs and digital rewards to enhance global K-pop community engagement.
- Designed and implemented mobile user interfaces for Telegram Mini Apps (TMA) featuring idol voting and community engagement and Crypto Commerce Apps, with a strong focus on usability, visual clarity and conversion rate optimization.
- Conducted user research and feedback reviews to enhance platform usability and accessibility.
- Collaborated with cross-functional team to understand requirements and deliver user-centric solutions.
- Created wireframes, prototypes, mockups and detailed UI assets that streamlined product updates.
- Created visual assets (banners, posters, thumbnails, covers, etc.) for Web3, E-commerce platforms and Telegram mini apps.

Jul 2023 - Jun 2024

UI/UX Designer, Norway Pharmatech As Medicine Joint Stock Company

Ho Chi Minh City

- Designed a modern and trustworthy Healthcare & Wellness E-commerce interface. Focused on optimizing the Visual System, ensuring high aesthetic standards and consistency throughout the customer's shopping journey.
- Developed wireframes, prototypes and detailed design specifications for Web/ App platforms.
- Collaborated cross-functionally with product and engineering teams to refine design outcomes and maintain consistency across features.
- Designed thumbnails, banners and pop-ups for Healthcare & Wellness product displays on an E-commerce website.
- Handle other design-related tasks as assigned by the team.
